## ALUMNI MEETING

HELD TUESDAY, CLOSING WITH A BANQUET.

## NEW OFFICERS CHOSEN

And Former Graduates Are Working For the School—A Large Number in Attendance.

The annual meeting of the State Normal school alumni convened yesterday afternoon at 3 o'clock in the school auditorium.

Prof. Ed Malotte of Kingston, president of the alumni, called the meeting to order and the program which had been prepared for the afternoon was rendered. Two discussions were held. The first was vocational training vs. Cultural Training. Miss Helen Leffler and Prof. W. R. Lowry of Hopkins defended the vocational training against Prof. A. H. Cooper of Grant City and Miss Golda Airy, who argued in favor of the cultural training. Both sides of the question were worthily championed and much of good was brought out by the discussion.

Prof. C. H. Allen then lead the discussion of "What the Normal School Means Over the district," which was followed by a free discussion of the subject by the members present. It was found from the experiences of the teachers that the Normal school is a very potent factor educationally in this section of the state, and that the Normal graduates are, without exception, making good and are creating a demand for better equipped and prepared teachers.

President Ira Richardson then gave a short talk on "The Outlook for Our School." Mr. Richardson expressed the sentiment which seemed to permeate the whole meeting that the future would determine in a large measure the success of the school.

After a short talk by County Superintendent Oakerson a business session was held and the following officers elected:

President, Prof. W. R. Lowry, who will head the Grant City schools during the ensuing year.

Corresponding secretary, Miss Nell Hudson of Maryville.

Recording secretary and treasurer, Miss Helen Leffler of Maryville.

The alumni banquet was held in the Normal library, which was decorated for the occasion in green and white. White carnations were given as favors and the menu cards were in the shape of a miniature diploma tied with a green ribbon.

Dean G. H. Colbert presided as toastmaster, and the toasts given were as follows:

"The Seven-Year-Old," Prof. Bert Cooper of Grant City, class of 1907.

"The Three-Fourths—The Women," Prof. James Faris of Skidmore.

"The Bosses—The Men," Miss Helen Leffler of Maryville.

"White Lies and Black Lies," C. Edwin Wells, Normal librarian.

"The Infant," Miss Lenore Perry, a graduate of the 1914 class.

"The Use of the Hoe," Lawrence Zellus of Bigelow.

"Cook and Cookies," Prof. W. M. Oakerson, county superintendent.

Yells were given for President Ira Richardson of the Normal, Prof. Lowry, newly elected president of the alumni, and the alumni.

Plates were laid for eighty-six guests, including the members of the Alumni association and of the Normal school faculty.

## MARTIN FOR STATE SENATOR.

Former Maryville Attorney Is Said to Seek That Position From Buchanan County.

B. R. Martin, formerly of this city, but now of St. Joseph, will probably be a candidate this year for state senator from Buchanan county. The reports from St. Joseph are to that effect. Senator Thomas Lysaght is a candidate for re-election and will oppose Mr. Martin.

## Leaves for New Mexico.

Miss Grace DeMotte left Wednesday morning to spend the summer vacation with her parents, Mr. and Mrs. N. S. DeMotte, in Artesia, N. M. Miss DeMotte stopped en route in Parkville for a visit with Mr. and Mrs. S. P. Larey, and in Kansas City to visit her uncle, S. M. DeMotte, and other relatives.

Miss Ruth Keplar of Pattonsburg and Miss Stella Hurst of Burlington Junction, who attended the graduation of Miss Grace DeMotte from the Normal school Tuesday morning, returned Wednesday to their homes.

## GRADUATES FROM HOPKINS.

Three Young Ladies From That Town Graduated From the Normal Tuesday.

Hopkins had three young ladies who graduated from the Normal Tuesday. All three of these young ladies are from prominent homes just west of Hopkins, or at least two of them, Miss Neva Shearer and Miss Clara Clymens, who live with their parents, Mr. and Mrs. Jacob Shearer and Mr. and Mrs. Eugene Clymens. Miss Elizabeth Sobblings, the third member of the class from Hopkins, grew to young womanhood at the home farm west of that town, but after the death of her father she went with her mother to Hopkins, where she entered the high school.

Two years ago, she and Neva Shearer both graduated from the Hopkins high school and at once entered the Normal, where they have both worked faithfully to secure their diplomas. Miss Clara Clymens went directly from the country school to the Normal and has bright prospects of making an excellent teacher.

Miss Sobblings holds the record for being the youngest pupil to be graduated from the Hopkins high school and also the youngest member of the present class of the Normal, as she will not be 19 until September. This is a record to be proud of and few students can boast of such work, but Miss Elizabeth is not content with what she has learned. After spending the coming year teaching in the Graham schools, to which position she has been elected, she will continue her studies at the state university.

Mrs. Josephine Sobblings, the mother of Miss Sobblings, is in Maryville today the guest of Mr. and Mrs. Vern Wray, in whose home Miss Elizabeth has been cared for during her two years stay in Maryville.

Mr. and Mrs. Jacob Shearer and son, Cory; Mr. and Mrs. Clymens and numerous other relatives and friends are here to attend the graduation exercises and are all glad that we have such a good school in our midst and that Hopkins has such fine young girls to get the benefit of the Normal.

## THE NORMAL SCHOOLS.

Book Just Issued Gives Some Interesting Figures in Comparison.

An advance copy of the sixty-fourth Missouri report of public schools has been issued by State Superintendent W. P. Evans, and the following are some interesting figures comparing the five Normal schools of the state:

Faculties, regular term:			
	Men.	Women.	Tot.
Kirksville	31	25	56
Warrensburg	26	25	51
Cape Girardeau	18	19	37
Springfield	16	17	33
Maryville	15	10	25

Faculties, summer term:

## NORMAL EXHIBIT.

Display of Basketry and Wood Turning at the Bee Hive Shoe Store.

The manual training department of the Normal school has an excellent display of basketry and woodwork on display at the Bee Hive shoe store. The articles were placed on display Wednesday and will remain in the window the rest of the week. The exhibits are under the direction of Prof. Frank H. Shepherd. There are some excellent exhibits in the display and they show what can be done in the manual training department of the Normal.

## A Successful School Year.

The Lasher school closed last Friday, after a nine months term of school. Miss Luta Moody is the teacher and she has been employed for next year at a salary of \$60 a month. There are eighteen pupils in the school. On Friday afternoon the pupils gave a program consisting of recitations, songs and music by the glee club. Sixty-five were present. There were two contests held, drawing contest and ciphering match. Miss Iva Williams won the prize in the ciphering match, a box of stationery, and Mrs. Judd Curnutt won the prize in the drawing contest, a box of candy.

W. W. Andrews expects to leave Tuesday for Chugwater, Wyo., where he will look over the country.

## RATTO IS COMING

FOR THE CHAUTAUQUA ASSEMBLY IN AUGUST.

## CHARACTER STUDIES

From Life and an Impersonator of Remarkable Ability—Presents Characters in "Make-Up."

John B. Ratto has been secured by the Chautauqua association to furnish an afternoon's entertainment at the assembly. Mr. Ratto's programs are miscellaneous. Each number naturally and logically follows the preceding one, and combines in making a grand panorama of associated characters. He presents his characters in "make-

JOHN B. RATTO.

up," penciling in full view of the audience, telling an appropriate story the while. Penciling finished, he turns to the table mirror, adjusts his wig and faces about to surprise you with the accuracy of a character different in appearance, speech and actions, with a personality all its own.

Mr. Ratto was at one time a newsboy in Chicago, from which position he has risen into the great impersonator. A short history of his experiences in life follow.

In a dark and dingy basement, a few doors from the corner of Thirty-fifth street and Vincennes avenue, Chicago, a number of years ago, there gathered every morning at 4 o'clock thirty-six young men. They were there sometimes for an hour, sometimes only a few minutes, but, rain or snow, below zero or above, Sundays or holidays, if one failed to come he had to send a substitute, and there were always two extras on hand in case any one was late.

About half of the thirty-six were students from the several nearby colleges and a number of them were poor boys. As each one left these headquarters he slung about his neck a large canvas bag, in which, if the weather was cold, he buried his hands for comfort. Quietly and silently, without a word of parting each disappeared up some alley, across some vacant lot, in some back yard, or over some fence into the gray dusk of the morning, distributing the morning papers.

Obscure though it was, this basement was the starting point of a career. At a table of the Vincennes avenue route was John B. Ratto. Ratto was one of the poor boys with no opportunity for schooling. Being second oldest in a family of eleven children, he went from kilts, with but a few years of knee breeches intervening, to work. The newspaper work was a side line, and it took only from 4 a. m. until 6:30 and brought him \$3 per month.

Frank Miller was a visitor in this city Tuesday.

## DAY'S PROGRAM

FOR MEMORIAL DAY ON SATURDAY IS GIVEN OUT.

## SUES FOR A DIVORCE.

Fred B. Sheley of Hopkins Files One, Alleging Indignities and Desertion.

A divorce suit filed Wednesday morning was by Cook, Cummins & Dawson, attorneys for Fred B. Sheley of Hopkins vs. Nora M. Sheley. The petition states that they were married in Nodaway county on December 24, 1891, and lived together until January 9, 1913, when the defendant deserted and abandoned the plaintiff and has been away since that time. The petition also alleges indignities. Mrs. Sheley is now living at Fargo, N. D.

## THE HAINES STORE.

Will Open for Business About June 6—Have a Chain of Stores.

The Haines store, which is to occupy the Moss building, on North Main street, will open about the 6th of June. The fixtures are being installed now and they will have a complete line of new stock, such as dry goods, ready-to-wear clothes and notions. The Haines store located here is one of several stores owned by this company, and this store will be under the management of Harvey L. Haines.

Mr. and Mrs. C. W. Keener of Marysville, Mo., were attending the graduation exercises at the Normal Monday and Tuesday.

Mrs. M. Heffern returned from St. Joseph, where she was called by the death of a cousin, Miss Gertrude Jones.

## COMMISSION PLANS ACCEPTED.

Work On Missouri State Structure at Panama Exposition Soon to Begin.

The plans of the Missouri commission, Panama-Pacific International Exposition, to be held in San Francisco in 1915, for their state building, have been approved by the exposition officials and the work of construction will soon begin.

The Missouri building will occupy one of the most imposing and choicest sites on the exposition grounds. The site is 200x403 feet and fronts on San Francisco bay. The building will be 64x120 feet. It will contain a reception hall 40x80 feet, which will jointly serve as an auditorium, ball room and reception hall. There will be installed in this part of the building a stage adequate for lectures, entertainments, etc. At one end of the building will be a moving picture apparatus. This will be used to show the resources and scenes of Missouri.

Approval of the plans of the Missouri commission at this early date means that Missouri will have one of the finest state buildings on the grounds and that its resources, products, advancement in literature and art and its future possibilities will be more amply displayed than those of any other state in the Union.

The exterior of the Missouri building will be attractive in the extreme and of colonial style. A balcony will run around the entire inside structure. The second floor will be fitted with apartments. Ample rest rooms will be provided. The building itself will cost about \$46,000 and will be a thing of pride to all Missourians who visit the exposition.

Governor Elliott M. Major is taking a personal interest in the exposition. He is mindful of the fact that 35,000 former Missourians now reside in California and still take a deep interest in the affairs and achievements of their native state. He realizes that these former residents are watching and waiting for a chance to boost their native state.

The Missouri building will be entirely for social, educational, entertainment and boosting purposes. In order that the greatness of the great commonwealth may be displayed in all its phases to the best advantage the members of the Missouri commission have decided that the exhibits of the state, which will be aside from the building, will be shown under five classes. Each member of the commission will superintend a separate department.

Commissioner John L. McNatt of Aurora will have in charge the mines and metallurgy exhibit; Commissioner Norman M. Vaughn, 1420 Syndicate Trust building, St. Louis, education and art; John A. Cunningham, Caruthersville, agriculture; W. A. Dallmeyer, Jefferson City, live stock and poultry, and W. D. Smith, Princeton, horticulture. All those interested in either class of exhibits are requested to correspond with the commissioner who has charge of the particular class in which the interest centers.

Governor Major and the members of the commission are especially desirous that the things in which the state surpasses all other commonwealths be amply portrayed in its exhibits. In this connection it is cited that Missouri produces more cotton than Virginia, more corn than Kansas, has the largest lead and zinc production of the world, largest raw fur market in the world, has the largest poultry industry, has one county in southeast portion of the state that grows more cotton to the acre than anywhere else on earth, has the largest nurseries in the world, more mules than any other state in the Union and that it surpasses in many other things of which its citizens are proud.

The Panama-Pacific International Exposition will be in celebration of the greatest human achievement of all times, the completion of the Panama canal. The gates of the exposition will open to the public on February 20th, 1915, and it will remain open until December 4th. The site is wondrous in its scenic beauties and will be visited by hundreds of thousands of people from all over the world.

## Guests at Nash Home.

Mr. and Mrs. Hiram House and son, Maxwell, of Portland, Ore., and Mrs. Harry House of DeLong, Ill., arrived Wednesday morning for a visit with Mr. House's uncle and aunt, Dr. and Mrs. G. A. Nash. Mr. House, who is an expert accountant, was one of the chief witnesses in the case of the United States against C. F. Monday at Seattle.

## To Leave Tuesday.

Mr. and Mrs. J. W. Ray and Mrs. A. J. Anderson expect to leave Tuesday for Chugwater, Wyo. Mr. and Mrs. Ray will spend the summer there and Mrs. Anderson will join her husband, who has a ranch near there.

## MERCURY UP TO 96

TUESDAY ONE OF THE HOTTEST MAY DAYS ON RECORD.

## RAIN IS NEEDED BADLY

Rainfall so Far This Month Only .58 of an Inch—Forecast Predicts Generally Fair and Warm.

Tuesday was one of the hottest May days on record, according to Weather Observer J. R. Brink. It was 96 above zero yesterday afternoon and it was hot and sultry last night. The weather records show that on May 3, 1895, and on May 5, 1909, it was 96 above, and these are the only years that any day in May has been as hot as yesterday. Monday night was very warm and but for the wind would have been hot.

As a dry month May is holding its own this year so far. The weather records show that we have had only .58 of an inch of rain this month. Comparing this with the same month in past years are May, 1906, with .34 of an inch; May, 1907, with .49 of an inch; May, 1904, with .93 of an inch. The largest May rainfall was in 1899, with 5.28 inches.

The forecast for Thursday predicts unsettled but generally fair and continued warm weather.

## IN FORT WORTH, TEXAS.

George Luther Burr Received Write-Up From Paper of That City:

The following is taken from the Fort Worth (Texas) Record:

George Luther Burr, short story writer and a composer of numerous poems and songs, is in Fort Worth. He will remain here a few days, introducing his latest song, "Mary Villimo." After his stay here Mr. Burr will return to Maryville, Mo., and will then walk to San Francisco, Cal., with the intention of getting there in time for the 1915 fair.

For a number of years Mr. Burr has written for newspapers and magazines in Minnesota. His most famous writing was "Minnehaha." The title of his song, "Mary Villimo," means Maryville, Mo., and bears the distinction of being the only song on record wherein a town and state are incorporated in the title. The author has announced that he will present a gold medal bearing the chorus of the song to the first famous singer who will sing the song in Maryville.

## Accident at Burlington Junction.

An automobile accident occurred about four miles north of Burlington Junction on Tuesday night, damaging the Overland car belonging to Roland Whitnach of Burlington Junction. The occupants of the Whitnach car were Mr. and Mrs. Whitnach and Mr. and Mrs. Ira Hodges. None of them were injured. The accident occurred when the car being driven by Mr. Whitnach turned to one side of the road to let another rapidly approaching car pass. It was not known who the occupants of the other car were or to whom the car belonged. Mr. Whitnach was driving about twenty miles an hour and the strange car was going about forty miles an hour, it is said. The front wheels and axle were torn off the Whitnach car and it was otherwise damaged. Both cars were Overland machines.

## Here for Commencement.

Mr. and Mrs. James Worth of Worth, Mo., and Mrs. Joseph Beauchamp and daughter, Miss Wilma Beauchamp of Denver, Mo., were guests at the home of Mr. and Mrs. George Hulet during the commencement exercises of the Normal school. Mr. and Mrs. Hulet's daughters, Misses Arlie and Dale Hulet, were members of the graduating class. The visitors returned to their homes Tuesday.

## THE WEATHER

Unsettled but generally fair weather tonight and Thursday; continued warm.

### EXTENDS INVITATION.

Clarinda Commercial Club to Enter-  
tain Maryville People Friday  
Night.

The Clarinda Commercial club has  
extended an invitation to Maryville  
people to visit them Friday evening.  
The home talent show, "A Night in  
Bohemia," will be put on at the the-  
ater there on Friday night, and it is  
planned to make the trip a sociability  
affair. Fred Lewis was in Clarinda  
Tuesday making arrangements for the  
show and the Clarinda Commercial  
club asked him to extend the invita-  
tion to the Maryville people. The Com-  
mercial club has agreed to furnish an  
orchestra for the show and indications  
are that there will be a full house.  
The theater is new and seats a thou-  
sand people. Ten cars have arranged  
to go and the show troupe wants at  
least twenty cars more. Those in the  
show will leave about 3 o'clock. Glenn  
Toff and F. R. Marcell are making ar-  
rangements for the trip, and those  
making the trip should notify them.

### AFTER FIVE YEARS.

Winthrop Child Was Restored to  
Health by Vinol.

"Five years ago our little girl had  
a severe attack of diphtheria which  
left her subject to bronchitis and  
stomach trouble. She has been almost  
constantly under medical treatment.  
I have tried also two or three reme-  
dies containing cod liver oil but found  
her stomach rebelled against the oil.  
Reading your description of Vinol I  
decided to try it and did so with most  
astonishing results. I cannot begin to  
tell you how she has improved because  
you do not know what a little suf-  
ferer she was for five years. She has  
gained ten pounds since she com-  
menced to take Vinol, and the story of  
what Vinol has done for her is only  
half told in this letter." Mrs. Adelaide  
Mulloy, Winthrop, Mass.

Vinol contains all the healing cur-  
ative properties of cod liver oil, with  
out the oil, and tonic iron added. That  
is why it helped this little girl after  
other remedies had failed.

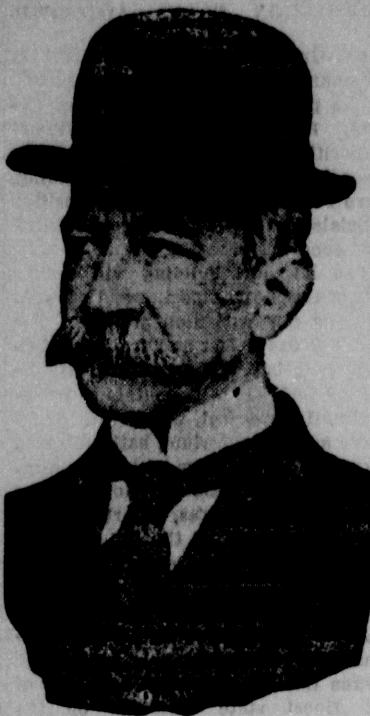

We ask mothers of weak, sickly  
children to try Vinol on our offer to  
give back your money if it fails to  
help them. Orear-Henry Drug Co.,  
Maryville, Mo.—Advertisement.

### Death at Pickering.

The 1-year-old baby of Mr. and Mrs.  
une Swaney died at their home in

## GOUX BREAKS RECORD FOR LAP ON SPEEDWAY

Circles Course at Rate of 99  
Miles an Hour.

Indianapolis, May 27.—Jules Goux,  
winner of the 500-mile race here last  
year, broke the record for one lap on  
the Indianapolis motor speedway. He  
circled the two and a half-mile course  
in 1:31.71, a speed of approximately  
ninety-eight and one-third miles an  
hour.

The French driver in his first trial  
in the elimination laps, sent his car  
down the straightaways at a speed es-  
timated at 115 miles an hour, the fast-  
est that ever has been seen here.  
When his car stopped and admirers  
had crowded around the Frenchman,  
his only reply to their congratulations  
was the same as when he won the race  
here last year, the laconic "I knew I  
could do it."

Joe Dawson, who won the 1912 race,  
drove one lap, unofficial, in 1:34.8,  
beating the record recently set by  
George Berliot, in a French car. Daw-  
son hardly had taken his car into the  
garage when Tetzlaff sent his race  
around the course in 1:33.4. Thirteen  
of the elimination laps were run.

### Spizzierinkum Club.

The Spizzierinkum club met at the  
home of Mr. George Swinford last Fri-  
day night. After the regular business  
session indoor and outdoor games  
were played. Refreshments consisting  
of ice cream, cake, bananas and or-  
anges were served by the host's sis-  
ter, Mrs. Glenn Swinford.

At an early morning hour every-  
one departed for their homes, declar-  
ing Mr. Swinford an excellent enter-  
tainer. The guests of the club were  
Mr. and Mrs. Arden Swinford and  
baby daughter, Marie; Miss Edith Fel-  
ker of Guilford, Miss Ruth Hobbs of  
Clyde, Miss Stella Rhine of Barnard,  
Miss Ethel Kidd and Mr. Huey Keenan.

### For Conservatory Graduates.

Miss Lida Ambrose, Miss Margaret  
Bolin, Miss Lucy Gee and Miss Lois  
Harrison, members of the graduating  
class of the Conservatory, entertained  
the class Tuesday evening with a  
lawn party at the home of Mr. and  
Mrs. J. A. Speirs. The evening was  
enjoyably spent in progressive games,  
after which refreshments were served.  
Those present were Miss Vivian Dan-  
iels, Miss Hazel Everhart, Miss Martha  
Koch and Mr. S. F. Spahnhofer of the  
class and Prof. P. O. Landon and Mr.  
Massie.

Miss Martha Koch and Miss Hazel  
Everhart entertained Wednesday af-  
ternoon at the home of Miss Koch in  
compliment to the class.

### Entertained at Picnic.

Mr. and Mrs. James King, living  
near Parnell, gave a picnic Sunday in  
honor of Mrs. King's sister, Mrs. L.  
Mitchell of St. Joseph. A splendid  
dinner was served and an enjoyable  
day spent by all. Those present were  
Mrs. Mitchell, Mr. and Mrs. J. D. Ford  
and Mr. and Mrs. J. S. Thompson of  
Maryville, Mr. and Mrs. A. T. King, Mr.  
and Mrs. W. H. West, Mr. and Mrs.  
Dave Heflin, Mr. and Mrs. L. A. King,

### Last Meeting of Season.

The Tourist department of the  
Twentieth Century club met for the  
last time this season Tuesday after-  
noon at the home of Mrs. Leslie E.  
Dean. The chairman being absent,  
Miss Helen Leffler, vice chairman,  
presided. The general subject of the  
afternoon, "Municipal Activities," was  
conducted by Mrs. George H. Colbert.  
This was followed by an account of  
the "Woman Movement," by Mrs. Beal  
Roseberry, and an interesting discus-  
sion of German news by the club  
members.

During the business session the an-  
nual election of officers took place, as  
follows: Mrs. Thomas L. Wadley,  
chairman; Mrs. Beal Roseberry, vice  
chairman; Mrs. Emmett Scott, sec-  
retary-treasurer. There were two vis-  
itors, Mrs. R. Bruce Montgomery and  
Mrs. R. W. Pettit, who were enrolled  
as new members.

A social hour followed when the  
hostess served refreshments.

### FOR A BALL GAME.

#### The Postoffice Employees Have Issued Challenge to Those in the Banks.

As Saturday is Memorial day and the banks and postoffice will be closed that day, a challenge has been issued by the postoffice employees for a base ball game with the bank employees. The challenge will probably be accepted and the game will be played at the Normal ball diamond.

#### Electric Cars Cure for "Nerves."

"People who make fun of women drivers of electric cars, intimating that it is hard to tell what a woman in an electric car will do in an emergency, are all wrong," declares W. A. Simonson, sales manager for the Woods Electric, who is in the city for a few days.

"Women who drive cars," he says, "are almost invariably careful and considerate. Not infrequently they are better drivers than men. They have a greater nicety of touch, and excellent judgment. The woman driver is not, as has been intimated, in any sense a serious danger to all those in her vicinity."

Mr. Simonson explains that, owing to the modern Electric's freedom from mechanical complications, it is so easy and simple to drive that women never have any trouble, even while learning. It is frequently that the timid woman, the one who, before she tries, fears she can never learn to drive an electric car, who later becomes the most proficient. "Indeed," continued Mr. Simonson, "our experience in selling electric cars to women makes us believe that an electric is al-

most a certain cure for nervousness in women. It is certain that many nervous, timid women have been restored to perfect health and strength, largely through learning to drive a Woods car. Their electric teaches them greater self-reliance and gives them confidence, which is surprising—most of all to the ladies themselves."

### Memorial Day Flowers.

The beautiful custom of honoring those who laid down their lives in sacrifice to the principles for which they fought, and showing a tribute to our loved ones who have died, by covering their graves with flowers at least once a year, is one of the most inspiring and poetic breaks in the busy life of our country, and it is to our credit that Memorial Day is observed with increasing interest each year. You will want flowers for Memorial Day—indeed their universal use causes us to make special preparations and you will find here a most complete assortment of appropriate flowers and plants and beautiful wreaths, baskets and other combinations at all prices. All orders whether placed in person or by mail or telephone will have the same careful attention and prompt delivery.

## GLORIOUS HAIR

Girls and women of all ages want to be beautiful and attractive, but unsightly, thin and lifeless hair destroys half the beauty of a pretty face.

If your hair is losing its natural color, is falling out, dull, streaky, full of dandruff, too dry, or if the scalp itches and burns do not be alarmed; use Parisian Sage. Rub it well into the scalp. It will go right to the hair roots, nourish them, and stimulate the hair to grow long and beautiful. It removes dandruff with one application, stops itching scalp, falling hair and makes the head feel fine.

Parisian Sage supplies the hair with what is needed to make it soft, fluffy, thick and gloriously radiant. It is sold in fifty-cent bottles by T. J. Parle, and at all drug counters. Look for the trade mark—"The Girl with the Auburn Hair." Accept no other.

## MILITANTS PLOT TO SHOOT ROYAL RACER

Drink to Success of Conspiracy  
to Kill Brakespear.

London, May 27.—The Daily Express says that the police have been notified of a plot to shoot Brakespear, King George's entry in the derby, which is to run at Epsom Downs. The Daily Express adds that at a meeting of militant suffragettes success to the plot was drunk in champagne.

The refusal of King George to see a suffragette deputation and alleged needless brutality on the part of the police in resisting their attempt to reach the palace appear to have exasperated the militants.

Window smashing in London now is of nightly occurrence. A party of militants invaded Kensington Gardens square, smashing windows of the houses bordering on one side of the square.

London, May 27.—Five suffragettes, who were arrested by the police during a raid on a west end flat on May 21, were brought before a magistrate. After seeing the exhibits, he took such a serious view of the case that he refused all offers of bail.

The exhibits seized in the flat included a new shrapnel grenade of ingenious manufacture, coils of fuse and plans of houses.

Two of the prisoners became so uproarious in the prisoners' enclosure during the hearing that they had to be removed. One of them, Miss Emmeline Hall, shouted: "I have been forcibly fed twice daily and am nearly dead as a result."

She seemed half demented as she struggled with the police. Her hat was torn off, her clothes disarranged and her hair disheveled.

"You beast!" she shrieked and was carried out of the court.

### PRESBYTERIANS WANT IT DRY

Indorsement for Temperance Move of  
National Administration.

Chicago, May 27.—Members of the 126th general assembly of the Presbyterian church in the United States of America went on record as favoring national prohibition, indorsed the national administration, the state department and the navy department for their action in support of the temperance movement, urged ministers and church members to withdraw from clubs and social organizations which dispensed alcoholic beverages, and condemned cigarette smoking.

The subjects were submitted to the assembly in the report of the standing committee on temperance, which was presented by Rev. J. P. Calhoun of Knoxville, Tenn., and adopted without discussion. Rev. J. E. Williamson offered a resolution providing that the Sheppard-Hobson national prohibition bill be amended so as to exempt wines used for sacramental purposes. It was referred to the standing committee on temperance without being discussed.

The assembly decided to hold its 127th annual session in Rochester, N. Y., next May.

### WHITE O' BOXES RITCHE

Chicagoan Credited With Having Bet-

## MEDIATORS ARE NEAR AGREEMENT

Peace Agents in Accord on a  
Number of Details.

### LAMAR MAKES ANNOUNCEMENT

Manner in Which Present Regime in  
Mexico Would Give Way to Pro-  
visional Government Considered.  
Meeting May End Soon.

Niagara Falls, Ont., May 27.—Details of a plan for the pacification of Mexico are now under discussion by the mediation conference, according to an announcement by Justice Lamar. An early agreement is now anticipated.

The turn in the proceedings from a point where it seemed as if the land problem might cause serious embarrassment to an understanding as to the treatment of some of the delicate issues involved, came after a conference between the mediators and the American delegates.

In his announcement, Justice Lamar said: "On a number of details we find ourselves in substantial agreement. Others are still under discussion, but as to them there has been no agreement."

From the mediators themselves it was learned that some of the vital points had been reached. These are understood to include the manner in which the present regime in Mexico City would give way to a new provisional government.

#### Basis of Optimism.

That General Huerta had given consent to the program thus far outlined here was one of the reports, from reliable sources, upon which some of the optimism was believed to be based.

The Mexican delegates, as well as the Americans, are anxious that the transition in Mexico City shall be smooth and unattended by disturbances. So they are approaching the question of personnel for the new government with a consciousness of the sensibilities of the Mexican people.

Desiring to avoid the appearance of having had their provisional president chosen at an international conference, the Mexican delegates have evolved the plan of suggesting to the mediators a list of names from which might be selected a number on whom the United States would look with favor if from it were chosen an ad interim executive. The actual choice of an individual from the list of eligibles would be sanctioned, it is suggested, by the Mexican congress.

There is reason to believe, however, that before any list is approved by the American government some tacit indorsement from the constitutionalists must come.

#### Plan of Pacification.

The plan of pacification, so far as developed, is known to be simple. Its object is the establishment of a new provisional government. As a program for it, there will be a declaration of principles on agrarian and other reforms and on the conduct of a fair election.

After much discussion a satisfactory method of considering the land question has practically been reached. While the Mexicans have not yielded the original convictions that the land problem is purely internal and that definite and binding recommendations concerning it should not be included in any agreement made here, the American view that some expression is desirable to point the way for its eventual settlement by Mexico itself has been sustained.

The parleys of the last two days indicate that a declaration of the principles on land reform as a basis for future study of the question will be included in whatever protocol the delegates sign here. The Mexicans have no objection to this.

### MINISTER TAMARIZ QUILTS

Another Member of Huerta's Cabinet  
Resigns Post.

Mexico City, May 27.—The minister of agriculture and colonization in Huerta's cabinet, Eduardo Tamariz, a member of the Catholic party, resigned. No official statement has been given out, but it is known that the resignation of the minister was caused by failure to agree on the affairs of administration.

#### Rumors Huerta Is Ready to Flee.

Vera Cruz, May 27.—Among those arriving by train from Mexico City was Mme. Simon, wife of Gen. Simon, president of the Banco Nacional de Mexico. Many rumors were brought of impending cabinet disruptions, of the flight to Vera Cruz of some of Gen. Huerta's ministers and even of the approaching departure for Europe of General Huerta himself. Similar rumors have been pouring into Vera Cruz for weeks.

#### Vaterland Runs Down Two Barges.

New York, May 27.—The great steamship Vaterland, which took nearly four hours to dock when it came to this port on its maiden voyage recently, sank two coal barges as it steamed out of its berth. No lives were lost.

#### Will Ignore Panama Exhibit.

London, May 27.—The British government, acting contrary to the hopes held out by Premier Asquith to a recent deputation, finally decided not to participate in the Panama-Pacific exposition at San Francisco.

## PLATTE VALLEY.

We need a shower of rain in this section of country.

Ollie Breit and wife spent Saturday evening and Sunday near Whitesville visiting his brother, Frank.

Earl Richards, who has been attending the Maryville Normal the past two weeks, is assisting his hired man replant corn this week while the seniors are having their commencement exercises.

Harvey Lucas was employed to teach the Skidmore district school the ensuing term at \$45 per month.

Tillman Breit has a yearling mule that cut one of his hind legs very bad on a barb wire fence.

Ollie Breit lost a very valuable mare one day last week valued at about \$150. Collie was the cause.

K. C. Knudson and family were guests at the home of W. B. Torrance Sunday.

Ed Jensen, Emma Jensen and Miss Sylvia Coulter of near Bedison attended church at the L. D. S. church in Guilford Sunday evening. Of course Ed called on his lady friend, Miss Beulah Richards.

Elder E. S. Hensen, the new missionary of the L. D. Saints of the Nodaway district held meetings at their church in Guilford Saturday evening

and Sunday at 11 a. m. and 8 p. m. A large and attentive audience greeted him on each occasion.

The elevator at Guilford is nearing completion.

Miss Margaret Miller of Maryville accompanied Miss Lillie Nelson home Friday from the Normal at Maryville for a visit over Sunday.

Mr. Seren Kelson purchased the 130-acre farm of Ollie Breit one day last week. Consideration \$17,225.

James Lucas is grading the roads in this section from Guilford west and south, which puts them in fine shape. We need a county bridge or two down here.

Last Sunday the Guilford base ball team defeated the Maryville team to the tune of 1 to 0 on the Guilford diamond.

J. W. Smock of Skidmore was a visitor in this city Monday.

## T. R. AND WILSON SWAP STORIES

President and Colonel Ignore Political Subjects in Talk.

SAYS HE PUT RIVER ON MAP

Roosevelt Defies Cartographers in World to Disprove Statement—Delivers Lecture on Explorations in Brazil—Busy Day for Colonel.

Washington, May 27.—Into nine hours here Colonel Roosevelt crowded a speech on his South American expedition, a call on President Wilson, a political conference of first importance with the Progressives in congress, a visit to the Smithsonian institution to see the trophies from his African hunt of four years ago, a meeting with a few members of the diplomatic corps and a dinner with his old friends. Besides there were a dozen impromptu receptions from crowds in the railway station, at his hotel, in the streets and wherever he chanced to stop for a moment.

It was such a hot and busy day that the colonel's collar rapidly melted away, but he went through it all without showing evidence of fatigue. The crowds, the cheers, the struggles to shake his hand, the photographers and all the rest were like old campaign days. The colonel smiled and waved his hat continually, and fired out "Bully!" and "By George, that's fine!" at everything.

Colonel Roosevelt's visit with President Wilson was perhaps of greater interest to the public than any other event of the day.

The president and his predecessor spent more than half an hour together and talked of most everything except politics. A good deal of the time was put in at telling stories.

They met in the Blue room of the White House and later went to the cool south portico. They joked about Colonel Roosevelt's South American river. When Mr. Roosevelt left the White House he was enthusiastically cheered by a crowd of several thousand.

## Says He Put River on Map.

Proclaimed before a great audience of scientists from many cities as the "discoverer" of a river in South America 1,000 miles long, Colonel Roosevelt assured the National Geographic society that he had put this river on the map and challenged all the cartographers in the world to disprove his achievement.

The colonel had appeared before a Washington audience on a previous occasion as an explorer, but never as a discoverer and he was cheered to the echo as he declared that the cartographers and geographers of all nations were wrong in their maps of the wilds of Brazil, wherein he found and traced the "Duvida river" or, as now more familiarly known, the "River of Doubt."

Scientists, the colonel asserted, had attempted to dispute his discovery. Tracing on a blackboard with a piece of chalk the river of his finding, he declared emphatically:

"I say 'we put it on the map' and I mean what I say. No map has ever yet shown this river. Scientists have said we might have traversed the River Tapajose or the River Madeira, but the fact is that some of our party went down one river and some went down the other, while we went down a river in between them which no mapmaker ever saw. I can direct any man where to find this river and rivers stay put, so that the discovery we have made may be verified."

## SOLD INSIGNIA AND TITLES

Liebkecht, Socialist Leader, Continues Exposure of Traffic in Honors.

Berlin, May 27.—Herr Liebkecht, the Socialist leader, continued in the Voerwarts his exposure of the sale of honors by high government officials.

A week ago he said that General Lindemann, the governor of Metz, who died a short time ago, had conducted a regular traffic in honors. Although the general is supposed to have made much money in this way, he left debts amounting to \$250,000.

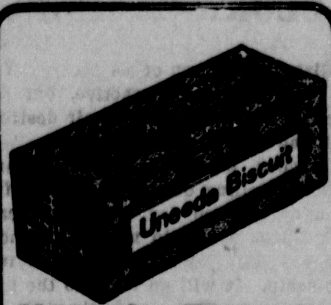

Herr Liebkecht told how a former official of the empress' privy purse had dickered with intending purchasers of titles. He says the tariff ranged from \$2,000 for the decoration of the Red Eagle to \$10,000 for a title of nobility.

## Proposed Grain Delivery Rule Lost.

Chicago, May 27.—By a majority of seventy-seven votes the Chicago board of trade defeated a proposed rule whereby grain in cars on track here would be available for delivery on contracts during the last three days of any month. If the rule had been adopted it would not be necessary for grain to be actually in warehouses here, and would have made wholesale eleventh-hour deliveries and the possible swamping of the market much less difficult to accomplish.

## Yankton Students Raise Big Sum.

Yankton, S. D., May 27.—The boom of cannon and ringing of bells, enlivened by the riotous enthusiasm of students and friends, announced the completion of the three-day \$10,000 campaign among students and the faculty of Yankton college. The sum of \$10,035.50 was given or pledged at this time, which gives a great impulse to the local campaign for a \$250,000 endowment before Jan. 1.

## The St. Joseph Market Report.

South St. Joseph, Mo., May 26.—Fat cattle market after easing off a trifle early last week, firmed up and closed active, held steady Monday of the current week and ruled steady to 10 higher today, most of the good cattle selling freely at strong to a dime higher. Colorado pulp-fed steers sold at a top of \$8.80. This is the highest price of the season for that class of cattle. Good to choice yearlings sold today at \$8.40 to \$8.65. The market appears to be in healthy condition on all well finished stock. As yet the movement of grass cattle has not made much trouble for plain short fed natives. Should receipts of grassers increase materially, of course, discrimination against the warmed up, short fed cattle doubtless will be experienced. Good fat cows and heifers continue in good demand, with prices a shade stronger for the week. Stocked and feeder trade still rather lifeless and values declining. Country buying on rather limited scale.

Hog prices continue to work lower under increasing receipts. Since last Tuesday the market on basis of today's sales shows a net decline of 30@35c. Receipts today, 1,000 head. Top, \$8.15; bulk of sales at \$7.95 to \$8.10. Prices are now at the lowest point since mid-January. Outlook generally conceded bearish; conditions favoring rather liberal supplies of hogs from now on well into June.

Sheep market after three weeks of rapid advance reached high point a week ago today, when \$9.50 was paid for woolled lambs. Prices were too good to hold up and since Tuesday of last week the market has had a sharp break of 50@75c. To open woolled lambs today, \$8.75. Supply of spring lambs larger. Best of this class selling around \$8.75.—St. Joseph Stock Journal.

## ALUMNI MEETING

HELD TUESDAY, CLOSING WITH A BANQUET.

## NEW OFFICERS CHOSEN

And Former Graduates Are Working For the School—A Large Number in Attendance.

The annual meeting of the State Normal school alumni convened yesterday afternoon at 3 o'clock in the school auditorium.

Prof. Ed Malotte of Kingston, president of the alumni, called the meeting to order and the program which had been prepared for the afternoon was rendered. Two discussions were held. The first was vocational training vs. Cultural Training. Miss Helen Leffler and Prof. W. R. Lowry of Hopkins defended the vocational training against Prof. A. H. Cooper of Grant City and Miss Golda Airy, who argued in favor of the cultural training. Both sides of the question were worthily championed and much of good was brought out by the discussion.

Prof. C. H. Allen then lead the discussion of "What the Normal School Means Over the district," which was followed by a free discussion of the subject by the members present. It was found from the experiences of the teachers that the Normal school is a very potent factor educationally in this section of the state, and that the Normal graduates are, without exception, making good and are creating a demand for better equipped and prepared teachers.

President Ira Richardson then gave a short talk on "The Outlook for Our School." Mr. Richardson expressed the sentiment which seemed to permeate the whole meeting that the future would determine in a large measure the success of the school.

After a short talk by County Superintendent Oakerson a business session was held and the following officers elected:

President, Prof. W. R. Lowry, who will head the Grant City schools during the ensuing year.

Corresponding secretary, Miss Nell Hudson of Maryville.

Recording secretary and treasurer, Miss Helen Leffler of Maryville.

The alumni banquet was held in the Normal library, which was decorated for the occasion in green and white. White carnations were given as favors and the menu cards were in the shape of a miniature diploma tied with a green ribbon.

Dean G. H. Colbert presided as toastmaster, and the toasts given were as follows:

"The Seven-Year-Old," Prof. Bert Cooper of Grant City, class of 1907.

"The Three-Fourths—The Women," Prof. James Faris of Skidmore.

"The Bosses—The Men," Miss Helen Leffler of Maryville.

"White Lies and Black Lies," C. Edwin Wells, Normal librarian.

"The Infant," Miss Lenore Perry, a graduate of the 1914 class.

"The Use of the Hoe," Lawrence Zelius of Bigelow.

"Cook and Cookies," Prof. W. M. Oakerson, county superintendent.

Yells were given for President Ira Richardson of the Normal, Prof. Lowry, newly elected president of the alumni, and the alumni.

Plates were laid for eighty-six guests, including the members of the Alumni association and of the Normal school faculty.

## MARTIN FOR STATE SENATOR.

Former Maryville Attorney is Said to Seek That Position From Buchanan County.

B. R. Martin, formerly of this city, but now of St. Joseph, will probably be a candidate this year for state senator from Buchanan county. The reports from St. Joseph are to that effect. Senator Thomas Lysaght is a candidate for re-election and will oppose Mr. Martin.

## Leaves for New Mexico.

Miss Grace DeMotte left Wednesday morning to spend the summer vacation with her parents, Mr. and Mrs. N. S. DeMotte, in Artesia, N. M. Miss DeMotte stopped en route in Parkville for a visit with Mr. and Mrs. S. P. Larey, and in Kansas City to visit her uncle, S. M. DeMotte, and other relatives.

Miss Ruth Keplar of Pattonsburg and Miss Stella Hurst of Burlington Junction, who attended the graduation of Miss Grace DeMotte from the Normal school Tuesday morning, returned Wednesday to their homes.

## GRADUATES FROM HOPKINS.

Three Young Ladies From That Town Graduated From the Normal Tuesday.

Hopkins had three young ladies who graduated from the Normal Tuesday. All three of these young ladies are from prominent homes just west of Hopkins, or at least two of them, Miss Neva Shearer and Miss Clara Clymens, who live with their parents, Mr. and Mrs. Jacob Shearer and Mr. and Mrs. Eugene Clymens. Miss Elizabeth Sobbing, the third member of the class from Hopkins, grew to young womanhood at the home farm west of that town, but after the death of her father she went with her mother to Hopkins, where she entered the high school.

Two years ago, she and Neva Shearer both graduated from the Hopkins high school and at once entered the Normal, where they have both worked faithfully to secure their diplomas. Miss Clara Clymens went directly from the country school to the Normal and has bright prospects of making an excellent teacher.

Miss Sobbing holds the record for being the youngest pupil to be graduated from the Hopkins high school and also the youngest member of the present class of the Normal, as she will not be 19 until September. This is a record to be proud of and few students can boast of such work, but Miss Elizabeth is not content with what she has learned. After spending the coming year teaching in the Graham schools, to which position she has been elected, she will continue her studies at the state university.

Mrs. Josephine Sobbing, the mother of Miss Sobbing, is in Maryville today the guest of Mr. and Mrs. Vern Wray, in whose home Miss Elizabeth has been cared for during her two years stay in Maryville.

Mr. and Mrs. Jacob Shearer and son, Cory; Mr. and Mrs. Clymens and numerous other relatives and friends are here to attend the graduation exercises and are all glad that we have such a good school in our midst and that Hopkins has such fine young girls to get the benefit of the Normal.

## NORMAL EXHIBIT.

Display of Basketry and Wood Turning at the Bee Hive Shoe Store.

The manual training department of the Normal school has an excellent display of basketry and woodwork on display at the Bee Hive shoe store. The articles were placed on display Wednesday and will remain in the window the rest of the week. The exhibits are under the direction of Prof. Frank H. Shepherd. There are some excellent exhibits in the display and they show what can be done in the manual training department of the Normal.

## A Successful School Year.

The Lasher school closed last Friday, after a nine months term of school. Miss Luta Moody is the teacher and she has been employed for next year at a salary of \$60 a month. There are eighteen pupils in the school. On Friday afternoon the pupils gave a program consisting of recitations, songs and music by the glee-club. Sixty-five were present. There were two contests held, drawing contest and ciphering match. Miss Iva Williams won the prize in the ciphering match, a box of stationery, and Mrs. Judd Curnutt won the prize in the drawing contest, a box of candy.

W. W. Andrews expects to leave Tuesday for Chugwater, Wyo., where he will look over the country.

## RATTO IS COMING

FOR THE CHAUTAUQUA ASSEMBLY IN AUGUST.

## CHARACTER STUDIES

From Life and an Impersonator of Remarkable Ability—Presents Characters in "Make-Up."

John B. Ratto has been secured by the Chautauqua association to furnish an afternoon's entertainment at the assembly. Mr. Ratto's programs are miscellaneous. Each number naturally and logically follows the preceding one, and combines in making a grand panorama of associated characters. He presents his characters in "make-

JOHN B. RATTO.

up," penciling in full view of the audience, telling an appropriate story the while. Penciling finished, he turns to the table mirror, adjusts his wig and faces about to surprise you with the accuracy of a character different in appearance, speech and actions, with a personality all its own.

Mr. Ratto was at one time a newsboy in Chicago, from which position he has risen into the great impersonator. A short history of his experiences in life follow.

In a dark and dingy basement, a few doors from the corner of Thirty-first street and Vincennes avenue, Chicago, a number of years ago, there gathered every morning at 4 o'clock thirty-six young men. They were there sometimes for an hour, sometimes only a few minutes, but, rain or snow, below zero or above, Sundays or holidays, if one failed to come he had to send a substitute, and there were always two extras on hand in case any one was late.

About half of the thirty-six were students from the several nearby colleges and a number of them were poor boys. As each one left these headquarters he slung about his neck a large canvas bag, in which, if the weather was cold, he buried his hands for comfort. Quietly and silently, without a word of parting each disappeared up some alley, across some vacant lot, in some back yard, or over some fence into the gray dusk of the morning, distributing the morning papers.

Obscure though it was, this basement was the starting point of a career. At a table of the Vincennes avenue route was John B. Ratto. Ratto was one of the poor boys with no opportunity for schooling. Being second oldest in a family of eleven children, he went from kilts, with but a few years of knee breeches intervening, to work. The newspaper work was a side line, and it took only from 4 a. m. until 6:30 and brought him \$3 per month.

Frank Miller was a visitor in this city Tuesday.

## SUES FOR A DIVORCE.

Fred B. Sheley of Hopkins Files One, Alleging Indignities and Desertion.

A divorce suit filed Wednesday morning was by Cook, Cummins & Dawson, attorneys for Fred B. Sheley of Hopkins vs. Nora M. Sheley. The petition states that they were married in Nodaway county on December 24, 1891, and lived together until January 9, 1913, when the defendant deserted and abandoned the plaintiff and has been away since that time. The petition also alleges indignities. Mrs. Sheley is now living at Fargo, N. D.

## THE HAINES STORE.

Will Open for Business About June 6—Have a Chain of Stores.

The Haines store, which is to occupy the Moss building, on North Main street, will open about the 6th of June. The fixtures are being installed now and they will have a complete line of new stock, such as dry goods, ready-to-wear clothes and notions. The Haines store located here is one of several stores owned by this company, and this store will be under the management of Harvey L. Haines.

Mr. and Mrs. C. W. Keener of Marysville, Mo., were attending the graduation exercises at the Normal Monday and Tuesday.

Mrs. M. Heffern returned from St. Joseph, where she was called by the death of a cousin, Miss Gertrude Jones.

## COMMISSION PLANS ACCEPTED.

Work On Missouri State Structure at Panama Exposition Soon to Begin.

The plans of the Missouri commission, Panama-Pacific International Exposition, to be held in San Francisco in 1915, for their state building, have been approved by the exposition officials and the work of construction will soon begin.

The Missouri building will occupy one of the most imposing and choicest sites on the exposition grounds. The site is 200x403 feet and fronts on San Francisco bay. The building will be 64x120 feet. It will contain a reception hall 40x80 feet, which will jointly serve as an auditorium, ball room and reception hall. There will be installed in this part of the building a stage adequate for lectures, entertainments, etc. At one end of the building will be a moving picture apparatus. This will be used to show the resources and scenes of Missouri.

Approval of the plans of the Missouri commission at this early date means that Missouri will have one of the finest state buildings on the grounds and that its resources, products, advancement in literature and art and its future possibilities will be more amply displayed than those of any other state in the Union.

The exterior of the Missouri building will be attractive in the extreme and of colonial style. A balcony will run around the entire inside structure. The second floor will be fitted with apartments. Ample rest rooms will be provided. The building itself will cost about \$46,000 and will be a thing of pride to all Missourians who visit the exposition.

Governor Elliott M. Major is taking a personal interest in the exposition. He is mindful of the fact that 35,000 former Missourians now reside in California and still take a deep interest in the affairs and achievements of their native state. He realizes that these former residents are watching and waiting for a chance to boost their native state.

The Missouri building will be entirely for social, educational, entertainment and boosting purposes. In order that the greatness of the great commonwealth may be displayed in all its phases to the best advantage the members of the Missouri commission have decided that the exhibits of the state, which will be aside from the building, will be shown under five classes. Each member of the commission will superintend a separate department.

Commissioner John L. McNatt of Aurora will have in charge the mines and metallurgy exhibit; Commissioner Norman M. Vaughn, 1420 Syndicate Trust building, St. Louis, education and art; John A. Cunningham, Caruthersville, agriculture; W. A. Dullmeyer, Jefferson City, live stock and poultry, and W. D. Smith, Princeton, horticulture. All those interested in either class of exhibits are requested to correspond with the commissioner who has charge of the particular class in which the interest centers.

Governor Major and the members of the commission are especially desirous that the things in which the state surpasses all other commonwealths be amply portrayed in its exhibits. In this connection it is cited that Missouri produces more cotton than Virginia, more corn than Kansas, has the largest lead and zinc production of the world, largest raw fur market in the world, has the largest poultry industry, has one county in southeast portion of the state that grows more cotton to the acre than anywhere else on earth, has the largest nurseries in the world, more mules than any other state in the Union and that it surpasses in many other things of which its citizens are proud.

The Panama-Pacific International Exposition will be in celebration of the greatest human achievement of all times, the completion of the Panama canal. The gates of the exposition will open to the public on February 20th, 1915, and it will remain open until December 4th. The site is wondrous in its scenic beauties and will be visited by hundreds of thousands of people from all over the world.

## Guests at Nash Home.

Mr. and Mrs. Hiram House and son, Maxwell, of Portland, Ore., and Mrs. Harry House of DeLong, Ill., arrived Wednesday morning for a visit with Mr. House's uncle and aunt, Dr. and Mrs. G. A. Nash. Mr. House, who is an expert accountant, was one of the chief witnesses in the case of the United States against C. F. Monday at Seattle.

## To Leave Tuesday.

Mr. and Mrs. J. W. Ray and Mrs. A. J. Anderson expect to leave Tuesday for Chugwater, Wyo. Mr. and Mrs. Ray will spend the summer there and Mrs. Anderson will join her husband, who has a ranch near there.

## MERCURY UP TO 96

TUESDAY ONE OF THE HOTTEST MAY DAYS ON RECORD.

## RAIN IS NEEDED BADLY

Rainfall so Far This Month Only .58 of an Inch—Forecast Predicts Generally Fair and Warm.

Tuesday was one of the hottest May days on record, according to Weather Observer J. R. Brink. It was 96 above zero yesterday afternoon and it was hot and sultry last night. The weather records show that on May 3, 1895, and on May 5, 1909, it was 96 above, and these are the only years that any day in May has been as hot as yesterday. Monday night was very warm and but for the wind would have been hot.

As a dry month May is holding its own this year so far. The weather records show that we have had only .58 of an inch of rain this month. Comparing this with the same month in past years are May, 1906, with .34 of an inch; May, 1907, with .49 of an inch; May, 1904, with .93 of an inch. The largest May rainfall was in 1899, with 5.28 inches.

The forecast for Thursday predicts unsettled but generally fair and continued warm weather.

## IN FORT WORTH, TEXAS.

George Luther Burr Received Write-Up From Paper of That City:

The following is taken from the Fort Worth (Texas) Record:

George Luther Burr, short story writer and a composer of numerous poems and songs, is in Fort Worth. He will remain here a few days, introducing his latest song, "Mary Villamo." After his stay here Mr. Burr will return to Maryville, Mo., and will then walk to San Francisco, Cal., with the intention of getting there in time for the 1915 fair.

For a number of years Mr. Burr has written for newspapers and magazines in Minnesota. His most famous writing was "Minnehaha." The title of his song, "Mary Villamo," means Maryville, Mo., and bears the distinction of being the only song on record wherein a town and state are incorporated in the title. The author has announced that he will present a gold medal bearing the chorus of the song to the first famous singer who will sing the song in Maryville.

## Accident at Burlington Junction.

An automobile accident occurred about four miles north of Burlington Junction on Tuesday night, damaging the Overland car belonging to Roland Whitnach of Burlington Junction. The occupants of the Whitnach car were Mr. and Mrs. Whitnach and Mr. and Mrs. Ira Hodges. None of them were injured. The accident occurred when the car being driven by Mr. Whitnach turned to one side of the road to let another rapidly approaching car pass. It was not known who the occupants of the other car were or to whom the car belonged. Mr. Whitnach was driving about twenty miles an hour and the strange car was going about forty miles an hour, it is said. The front wheels and axle were torn off the Whitnach car and it was otherwise damaged. Both cars were Overland machines.

## Here for Commencement.

Mr. and Mrs. James Worth of Worth, Mo., and Mrs. Joseph Beauchamp and daughter, Miss Wilma Beauchamp of Denver, Mo., were guests at the home of Mr. and Mrs. George Hulet during the commencement exercises of the Normal school. Mr. and Mrs. Hulet's daughters, Misses Arlie and Dale Hulet, were members of the graduating class. The visitors returned to their homes Tuesday.

## THE WEATHER

Unsettled but generally fair weather tonight and Thursday; continued warm.

The Clarinda Commercial club has extended an invitation to Maryville people to visit them Friday evening. The home talent show, "A Night in Bohemia," will be put on at the theater there on Friday night, and it is planned to make the trip a sociability affair. Fred Lewis was in Clarinda Tuesday making arrangements for the show and the Clarinda Commercial club asked him to extend the invitation to the Maryville people. The Commercial club has agreed to furnish an orchestra for the show and indications are that there will be a full house. The theater is new and seats a thousand people. Ten cars have arranged to go and the show troupe wants at least twenty cars more. Those in the show will leave about 3 o'clock. Glenn Toff and F. R. Marcell are making arrangements for the trip, and those making the trip should notify them.

AFTER FIVE YEARS.

Winthrop Child Was Restored to Health by Vinol.

"Five years ago our little girl had a severe attack of diphtheria which left her subject to bronchitis and stomach trouble. She has been almost constantly under medical treatment. I have tried also two or three remedies containing cod liver oil but found her stomach rebelled against the oil. Reading your description of Vinol I decided to try it and did so with most astonishing results. I cannot begin to tell you how she has improved because you do not know what a little sufferer she was for five years. She has gained ten pounds since she commenced to take Vinol, and the story of what Vinol has done for her is only half told in this letter." Mrs. Adelaide Mulloy, Winthrop, Mass.

Vinol contains all the healing curative properties of cod liver oil, with out the oil, and tonic iron added. That is why it helped this little girl after other remedies had failed.

We ask mothers of weak, sickly children to try Vinol on our offer to give back your money if it fails to help them. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

GOULD TAKES RECORD  
FOR LAP ON SPEEDWAY

Circles Course at Rate of 93  
Miles an Hour.

Indianapolis, May 27.—Jules Gould, winner of the 500-mile race here last year, broke the record for one lap on the Indianapolis motor speedway. He circled the two and a half mile course in 1:31.71, a speed of approximately ninety-eight and one-third miles an hour.

The French driver in his first trial in the elimination laps, sent his car down the straightaways at a speed estimated at 115 miles an hour, the fastest that ever has been seen here. When his car stopped and admirers had crowded around the Frenchman, his only reply to their congratulations was the same as when he won the race here last year, the laconic "I knew I could do it."

Joe Dawson, who won the 1912 race, drove one lap, unofficial, in 1:34.8, beating the record recently set by George Berliot, in a French car. Dawson hardly had taken his car into the garage when Tetzlaff sent his race around the course in 1:32.4. Thirteen of the elimination laps were run.

Last Meeting of Season.

The Tourist department of the Twentieth Century club met for the last time this season Tuesday afternoon at the home of Mrs. Leslie E. Dean. The chairman being absent, Miss Helen Leffler, vice chairman, presided. The general subject of the afternoon, "Municipal Activities," was conducted by Mrs. George H. Colbert. This was followed by an account of the "Woman Movement," by Mrs. Beal Roseberry, and an interesting discussion of German news by the club members.

During the business session the annual election of officers took place, as follows: Mrs. Thomas L. Wadley, chairman; Mrs. Beal Roseberry, vice chairman; Mrs. Emmett Scott, secretary-treasurer. There were two visitors, Mrs. R. Bruce Montgomery and Mrs. R. W. Pettit, who were enrolled as new members.

A social hour followed when the hostess served refreshments.

Arts and Crafts Department.

A postponed meeting of the departments of Arts and Crafts of the Twentieth Century club was held Tuesday afternoon at the Elks club. This was the last meeting until the autumn. "Growth of Furniture Making" was the general subject for discussion under the leadership of Mrs. S. G. Gilliam. Other subjects were discussed as follows: "Georgian Chairs and Sofas," Mrs. George Robert Eaton; "Chippendale Furniture," Miss Marie Brink; "Empire and Colonial Furniture," Mrs. E. G. Orear; "Flemish and Dutch Furniture," Mrs. Roy Collins. A business meeting followed, when Mrs. George Bellows was elected

chairman, Mrs. R. C. Benight vice chairman, and Miss Laura Barmann, secretary-treasurer for the ensuing year.

Senior Class Spread.

The senior class of the Normal school had a "spread" in the ladies' parlor Monday evening following the class play, "A Scrap of Paper." Miss Beulah Bruner, the class patron, was presented a beautiful lavalliere by the class. Miss Beatrix Winn and Miss Harriett Day, to whom much credit is due for the success of the play, were given flowers.

#### Electric Cars Cure for "Nerves."

"People who make fun of women drivers of electric cars, intimating that it is hard to tell what a woman in an electric car will do in an emergency, are all wrong," declares W. A. Simonson, sales manager for the Woods Electric, who is in the city for a few days.

"Women who drive cars," he says, "are almost invariably careful and considerate. Not infrequently they are better drivers than men. They have a greater nicety of touch, and excellent judgment. The woman driver is not, as has been intimated, in any sense a serious danger to all those in her vicinity."

Mr. Simonson explains that, owing to the modern Electric's freedom from mechanical complications, it is so easy and simple to drive that women never have any trouble, even while learning. It is frequently that the timid woman, the one who, before she tries, fears she can never learn to drive an electric car, who later becomes the most proficient. "Indeed," continued Mr. Simonson, "our experience in selling electric cars to women makes us believe that an electric is al-

most a certain cure for nervousness in women. It is certain that many nervous, timid women have been restored to perfect health and strength, largely through learning to drive a Woods car. Their electric teaches them greater self-reliance and gives them confidence, which is surprising—most of all to the ladies themselves."

## GLORIOUS HAIR

Girls and women of all ages want to be beautiful and attractive, but unsightly, thin and lifeless hair destroys half the beauty of a pretty face.

If your hair is losing its natural color, is falling out, dull, streaky, full of dandruff, too dry, or if the scalp itches and burns do not be alarmed; use Parisian Sage. Rub it well into the scalp. It will go right to the hair roots, nourish them, and stimulate the hair to grow long and beautiful. It removes dandruff with one application, stops itching scalp, falling hair and makes the head feel fine.

Parisian Sage supplies the hair with what is needed to make it soft, fluffy, thick and gloriously radiant. It is sold in fifty-cent bottles by T. J. Parle, and at all drug counters. Look for the trade mark—"The Girl with the Auburn Hair." Accept no other.

## MILITANTS PLOT TO SHOOT ROYAL RACER

### Drink to Success of Conspiracy to Kill Brakespear.

London, May 27.—The Daily Express says that the police have been notified of a plot to shoot Brakespear, King George's entry in the derby, which is to run at Epsom Downs. The Daily Express adds that at a meeting of militant suffragettes success to the plot was drunk in champagne.

The refusal of King George to see a suffragette deputation and alleged needless brutality on the part of the police in resisting their attempt to reach the palace appear to have exasperated the militants.

Window smashing in London now is of nightly occurrence. A party of militants invaded Kensington Gardens square, smashing windows of the houses bordering on one side of the square.

London, May 27.—Five suffragettes, who were arrested by the police during a raid on a west end flat on May 21, were brought before a magistrate. After seeing the exhibits, he took such a serious view of the case that he refused all offers of bail.

The exhibits seized in the flat included a new shrapnel grenade of ingenious manufacture, coils of fuse and plans of houses.

Two of the prisoners became so uproarious in the prisoners' enclosure during the hearing that they had to be removed. One of them, Miss Emmeline Hall, shouted: "I have been forcibly fed twice daily and am nearly dead as a result."

She seemed half demented as she struggled with the police. Her hat was torn off, her clothes disarranged and her hair disheveled.

"You beast!" she shrieked and was carried out of the court.

### PRESBYTERIANS WANT IT DRY

Indorsement for Temperance Move of National Administration.

Chicago, May 27.—Members of the 126th general assembly of the Presbyterian church in the United States of America went on record as favoring national prohibition, indorsed the national administration, the state department and the navy department for their action in support of the temperance movement, urged ministers and church members to withdraw from clubs and social organizations which dispensed alcoholic beverages, and condemned cigarette smoking.

The subjects were submitted to the assembly in the report of the standing committee on temperance, which was presented by Rev. J. P. Calhoun of Knoxville, Tenn., and adopted without discussion. Rev. J. F. Williamson offered a resolution providing that the Sheppard-Hobson national prohibition bill be amended so as to exempt wines used for sacramental purposes. It was referred to the standing committee on temperance without being discussed.

The assembly decided to hold its 127th annual session in Rochester, N. Y., next May.

### WHITE O' BOXES RITCHE

Chicagoan Credited With Having Ret. ter of Six of Ten Rounds.

Milwaukee, May 27.—Charlie White, a twenty-three-year-old Chicagoan, fought an o'boxed Willie Ritchie, the lightweight champion, in a viciously fought ten-round contest here.

The Chicagoans were credited by newspaper critics with having the better of six of the ten rounds, two were declared even and the Californian was given two, the second and third rounds. Under the Wisconsin law no decision could be given by the referee.

#### No Rockefeller Tax Return.

Cleveland, May 27.—John D. Rockefeller failed to make return on his personal property for the purpose of taxation. The taxers now will make up a list of his personal holdings, which are placed at upward of \$300,000,000.

## MEDIATORS ARE NEAR AGREEMENT

### Peace Agents in Accord on a Number of Details.

### LAMAR MAKES ANNOUNCEMENT

Manner in Which Present Regime in Mexico Would Give Way to Provisional Government Considered. Meeting May End Soon.

Niagara Falls, Ont., May 27.—Details of a plan for the pacification of Mexico are now under discussion by the mediation conference, according to an announcement by Justice Lamar. An early agreement is now anticipated.

The turn in the proceedings from a point where it seemed as if the land problem might cause serious embarrassment to an understanding as to the treatment of some of the delicate issues involved, came after a conference between the mediators and the American delegates.

In his announcement, Justice Lamar said: "On a number of details we find ourselves in substantial agreement. Others are still under discussion, but as to them there has been no agreement."

From the mediators themselves it was learned that some of the vital points had been reached. These are understood to include the manner in which the present regime in Mexico City would give way to a new provisional government.

#### Basis of Optimism.

That General Huerta had given consent to the program thus far outlined here was one of the reports, from reliable sources, upon which some of the optimism was believed to be based.

The Mexican delegates, as well as the Americans, are anxious that the transition in Mexico City shall be smooth and unattended by disturbances. So they are approaching the question of personnel for the new government with a consciousness of the sensibilities of the Mexican people.

Desiring to avoid the appearance of having had their provisional president chosen at an international conference, the Mexican delegates have evolved the plan of suggesting to the mediators a list of names from which might be selected a number on whom the United States would look with favor if from it were chosen an ad interim executive. The actual choice of an individual from the list of eligibles would be sanctioned, it is suggested, by the Mexican congress.

There is reason to believe, however, that before any list is approved by the American government some tacit indorsement from the constitutionalists must come.

#### Plan of Pacification.

The plan of pacification, so far as developed, is known to be simple. Its object is the establishment of a new provisional government. As a program for it, there will be a declaration of principles on agrarian and other reforms and on the conduct of a fair election.

After much discussion a satisfactory method of considering the land question has practically been reached. While the Mexicans have not yielded the original convictions that the land problem is purely internal and that definite and binding recommendations concerning it should not be included in any agreement made here, the American view that some expression is desirable to point the way for its eventual settlement by Mexico itself has been sustained.

The parleys of the last two days indicate that a declaration of the principles on land reform as a basis for future study of the question will be included in whatever protocol the delegates sign here. The Mexicans have no objection to this.

### MINISTER TAMARIZ QUILTS

Another Member of Huerta's Cabinet Resigns Post.

Mexico City, May 27.—The minister of agriculture and colonization in Huerta's cabinet, Eduardo Tamariz, a member of the Catholic party, resigned. No official statement has been given out, but it is known that the resignation of the minister was caused by failure to agree on the affairs of administration.

#### Rumors Huerta Is Ready to Flee.

Vera Cruz, May 27.—Among those arriving by train from Mexico City was Mme. Simon, wife of Gen. Simon, president of the Banco Nacional de Mexico. Many rumors were brought of impending cabinet disruptions, of the flight to Vera Cruz of Gen. Huerta's ministers and even of the approaching departure for Europe of General Huerta himself. Similar rumors have been pouring into Vera Cruz for weeks.

#### Vaterland Runs Down Two Barges.

New York, May 27.—The great steamship Vaterland, which took nearly four hours to dock when it came to this port on its maiden voyage recently, sank two coal barges as it steamed out of its berth. No lives were lost.

#### Will Ignore Panama Exhibit.

London, May 27.—The British government, acting contrary to the hopes held out by Premier Asquith to a recent deputation, finally decided not to participate in the Panama-Pacific exposition at San Francisco.

## PLATTE VALLEY.

We need a shower of rain in this section of country.

Ollie Breit and wife spent Saturday evening and Sunday near Whitesville visiting his brother, Frank.

Earl Richards, who has been attending the Maryville Normal the past two weeks, is assisting his hired man replant corn this week while the seniors are having their commencement exercises.

Harvey Lucas was employed to teach the Skidmore district school the ensuing term at \$45 per month.

Tillman Breit has a yearling mule that cut one of his hind legs very bad on a barb wire fence.

Ollie Breit lost a very valuable mare one day last week valued at about \$150. Colic was the cause.

K. C. Knudson and family were guests at the home of W. B. Torrance Sunday.

Ed Jensen, Emma Jensen and Miss Sylvia Coulter of near Bedison attended church at the L. D. S. church in Guilford Sunday evening. Of course Ed called on his lady friend, Miss Beulah Richards.

Elder E. S. Hensen, the new missionary of the L. D. Saints of the Nodaway district held meetings at their church in Guilford Saturday evening

and Sunday at 11 a. m. and 8 p. m. A large and attentive audience greeted him on each occasion.

The elevator at Guilford is nearing completion.

Miss Margaret Miller of Maryville accompanied Miss Lillie Nelson home Friday from the Normal at Maryville for a visit over Sunday.

Mr. Seren Kelson purchased the 130-acre farm of Ollie Breit one day last week. Consideration \$17,225.

James Lucas is grading the roads in this section from Guilford west and south, which puts them in fine shape. We need a county bridge or two down here.

Last Sunday the Guilford base ball team defeated the Maryville team to the tune of 1 to 0 on the Guilford diamond.

President and Colonel Ignore  
Political Subjects in Talk.

SAYS HE PUT RIVER ON MAP

Roosevelt Defies Cartographers in World to Disprove Statement—Delivers Lecture on Explorations in Brazil—Busy Day for Colonel.

Washington, May 27.—Into nine hours here Colonel Roosevelt crowded a speech on his South American expedition, a call on President Wilson, a political conference of first importance with the Progressives in congress, a visit to the Smithsonian institution to see the trophies from his African hunt of four years ago, a meeting with a few members of the diplomatic corps and a dinner with his old friends. Besides there were a dozen impromptu receptions from crowds in the railway station, at his hotel, in the streets and wherever he chanced to stop for a moment.

It was such a hot and busy day that the colonel's collar rapidly melted away, but he went through it all without showing evidence of fatigue. The crowds, the cheers, the struggles to shake his hand, the photographers and all the rest were like old campaign days. The colonel smiled and waved his hat continually, and fired out "Bully!" and "By George, that's fine!" at everything.

Colonel Roosevelt's visit with President Wilson was perhaps of greater interest to the public than any other event of the day.

The president and his predecessor spent more than half an hour together and talked of most everything except politics. A good deal of the time was put in at telling stories.

They met in the Blue room of the White House and later went to the cool south portico. They joked about Colonel Roosevelt's South American river. When Mr. Roosevelt left the White House he was enthusiastically cheered by a crowd of several thousand.

## Says He Put River on Map.

Proclaimed before a great audience of scientists from many cities as the "discoverer" of a river in South America 1,000 miles long, Colonel Roosevelt assured the National Geographic society that he had put this river on the map and challenged all the cartographers in the world to disprove his achievement.

The colonel had appeared before a Washington audience on a previous occasion as an explorer, but never as a discoverer and he was cheered to the echo as he declared that the cartographers and geographers of all nations were wrong in their maps of the wilds of Brazil, wherein he found and traced the "Duvida river" or, as now more familiarly known, the "River of Doubt."

Scientists, the colonel asserted, had attempted to dispute his discovery. Tracing on a blackboard with a piece of chalk the river of his finding, he declared emphatically:

"I say 'we put it on the map' and I mean what I say. No map has ever yet shown this river. Scientists have said we might have traversed the River Tapajose or the River Madeira, but the fact is that some of our party went down one river and some went down the other, while we went down a river in between them which no mapmaker ever saw. I can direct any man where to find this river and rivers stay put, so that the discovery we have made may be verified."

## SOLD INSIGNIA AND TITLES

Liebkecht, Socialist Leader, Continues Exposure of Traffic in Honors.

Berlin, May 27.—Herr Liebkecht, the Socialist leader, continued in the Voerwarts his exposure of the sale of honors by high government officials.

A week ago he said that General Lindenau, the governor of Metz, who died a short time ago, had conducted a regular traffic in honors. Although the general is supposed to have made much money in this way, he left debts amounting to \$250,000.

Herr Liebkecht told how a former official of the empress' privy purse had dickered with intending purchasers of titles. He says the tariff ranged from \$2,000 for the decoration of the Red Eagle to \$10,000 for a title of nobility.

## Proposed Grain Delivery Rule Lost.

Chicago, May 27.—By a majority of seventy-seven votes the Chicago board of trade defeated a proposed rule whereby grain in cars on track here would be available for delivery on contracts during the last three days of any month. If the rule had been adopted it would not be necessary for grain to be actually in warehouses here, and would have made wholesale elevator hour deliveries and the possible swamping of the market much less difficult to accomplish.

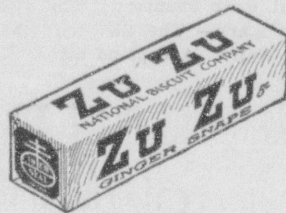

## Yankton Students Raise Big Sum.

Yankton, S. D., May 27.—The boom of cannon and ringing of bells, enlivened by the riotous enthusiasm of students and friends, announced the completion of the three-day \$10,000 campaign among students and the faculty of Yankton college. The sum of \$10,033.50 was given or pledged at this time, which gives a great impulse to the local campaign for a \$250,000 endowment before Jan. 1.

## The St. Joseph Market Report.

South St. Joseph, Mo., May 26.—Fat cattle market after easing off a trifle early last week, firmed up and closed active, held steady Monday of the current week and ruled steady to 10 higher today, most of the good cattle selling freely at strong to a dime higher. Colorado pulp-fed steers sold at a top of \$8.80. This is the highest price of the season for that class of cattle. Good to choice yearlings sold today at \$8.40 to \$8.65. The market appears to be in healthy condition on all well finished stock. As yet the movement of grass cattle has not made much trouble for plain short fed natives. Should receipts of grassers increase materially, of course, discrimination against the warmed up, short fed cattle doubtless will be experienced. Good fat cows and heifers continue in good demand, with prices a shade stronger for the week. Stocker and feeder trade still rather lifeless and values declining. Country buying on rather limited scale.

Hog prices continue to work lower under increasing receipts. Since last Tuesday the market on basis of today's sales shows a net decline of 39¢/35c. Receipts today, 1,000 head. Top, \$8.15; bulk of sales at \$7.95 to \$8.10. Prices are now at the lowest point since mid-January. Outlook generally conceded bearish; conditions favoring rather liberal supplies of hogs from now on well into June.

Sheep market after three weeks of rapid advance reached high point a week ago today, when \$9.50 was paid for woolled lambs. Prices were too good to hold up and since Tuesday of last week the market has had a sharp break of 50¢/75c. To open woolled lambs today, \$8.75. Supply of spring lambs larger. Best of this class selling around \$8.75.—St. Joseph Stock Journal.

## Obituary.

Charles Henry, son of G. W. and Emily Wood, was born in Morgan county, Ohio, June 14th, 1861. When 19 years of age he came to Nodaway county, Missouri, where the remainder of his life was spent, except two years he spent in Kansas, teaching in the public schools.

On the 8th day of March, 1898, he was married to Louellen Smith. The union was a happy one, and could only be terminated by death. Five children were born to them, Edna E., Ruby Ethel, who died at 6 months of age; Lois, Harry E. and Mildred L. At the age of 23 years Brother Wood heard, believed and obeyed the Gospel of Christ, and thus became a Christian, and it is the universal testimony of those who knew him that he lived a Christian life. After having lived for twenty-six years on his fine farm, eight and a half miles northwest of Barnard, highly respected by all who knew him, he met with an unfortunate accident which suddenly ended his earth life April 26, 1914. The spirit having departed "to God, who gave it," the body was taken to Graham, where a large crowd heard a discourse appropriate to the occasion by Elder W. A. Chapman of Rosendale, and interment was in Graham cemetery. Beside his wife and four children he is survived by his aged mother, who resides in Skidmore; five brothers and one sister. The brothers are Albert, of Diller, Neb.; Joseph, Blackwell, Okla.; Willard, Skidmore, Mo.; John, Blackwell, Okla., and Chester of Reed, Cal. The sister is Mrs. Mary J. Stowe of Fresno, Cal.

Mrs. J. H. Marshall, who has been attending the graduating exercises of the Normal school, returned Wednesday to her home in Mound City. Her daughter, Miss Louise Marshall, who was one of the graduates, accompanied her home.

Mr. and Mrs. Frank Johnson of Jackson township were visitors in this city Tuesday.
